## Market Fees & Sustaining the Seasons Giving Program

We strive to provide a place for farmers and artists to sell their products in an affordable and encouraging environment. As a non-profit we rely on grants, donations, city contracts, and community support through Sustaining the Seasons to fund all of our 16 programs, including the Mount Hood Farmers Market. Sustaining the Seasons is our group of supporters who pledge to donate any amount, large or small, once a month. This is how we budget future projects and pay for new materials.

We invite our vendors to become annual supporters. For a monthly donation of \$30 a month you will not be charged a market fee for the Mount Hood Farmers Market. Although these two programs are not the same, SUSTAINABILITY of AntFarm and the Mount Hood Farmers Market is important to us and we believe this is an important commitment we can make with you for our community. Since this is not considered a market fee, you will receive a tax write off for this donation. A Sustaining the Seasons Donor can make a monthly, quarterly, or annual contribution. Please note, becoming a Sustaining the Seasons Supporter is a year long commitment.

It's easy to sign up on our website: [Sustaining the Seasons](#) or you can sign up at the market or at our Café located at 39140 Proctor Blvd, Sandy, OR 97055.
